

Foreign Licensees

How to Register as a Foreign Licensee?

Foreign license holders can register via the **Cycling Vlaanderen** portal. Visit the link below to create your personal portal and register for races: [Register Here](#)

To use the riders portal, you will have to upload your license yearly into your personal portal, and pay the fee. This way your information stays up-to-date, as well as it gives you the opportunity to register immediately for regional races.

How to Unregister as a Foreign Licensee?

- **Road Races:** Unsubscribe via your Cycling Vlaanderen portal until **20h** the day before the race.
- **MTB:** Unsubscribe up to **3 days** before the race.
- **BMX:** Unsubscribe via **JStiming** until **3 days** before the race.

Late Unsubscription

It is not possible to unsubscribe from the race after the registration has closed. If you do not show up at the race you will get an unauthorised absence. After three of those absences, you will get fined and will lose your registration fee, as you might take up places from other riders.

Online Registration

When registering through your portal for the race, you will have to pay immediately through your portal. More information regarding transferring money to your portal and registering for the races can be found through the following link;

Registration Fees & Prize Money

All categories must pay a registration fee, which can be paid when registering through the portal, or **by cash** at the race. Please bring:

- **Valid UCI license**
- **Confirmation to race abroad from your national federation if applicable**
- **Appropriate registration fee if applicable** (see table below)
- **Valid transponder**
- **Foreign license holders:** €5 extra for third-party liability, legal status, and solidarity
- **Check discipline-specific rules** for extra requirements (e.g., MTB handlebar board)

Start Regulations & Gear Restrictions

Find the official **start regulations** for each category here: [Start Regulations](#)

Gear Restrictions for Juniors (U19)

- UCI races:** No restrictions
- National & regional races:** Gear restrictions apply
- Gear checks** are performed by race officials

Maximum Gear	Regional Races	National Interclub Races	UCI Races
U9-U10-U11	5.52m	/	/
U12	5.76m	/	/
U13	5.76m	/	/
U14-U15	6.48m	/	/
U17	7.68m	7.68m	/
Juniors	10.16m	10.16m	Free

Note: Wider tires have slightly increased the gear margin over the years to compensate for the extended distance. The **actual distance covered** determines the official ruling during a race.

Take a look at the different regulations in place to avoid unpleasant surprises at the start of the race.
