6. Registration procedure, accreditation, distribution of race numbers: location and times

Registrations are handled via Time & Voice. You can register via the following link: <https://time-and-voice.com/en/mtb>

You can park at various locations around the event, you can pick up the start number at registration (see map in Appendix A). The starting number, possibly with a transponder, can be picked up from Saturday May 16th from 16:30 - 17:30 hours and Sunday May 17th from 8:00 hours. Entrants are expected to adhere to this schedule to guarantee a smooth entry as possible.

7. Description and detailed plan of the course indicating marshal location and medical points, length, profile and elevation of the course.

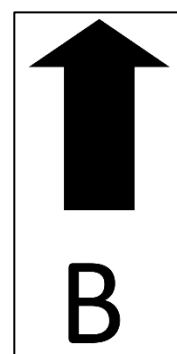

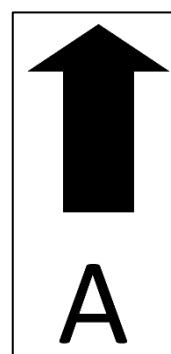

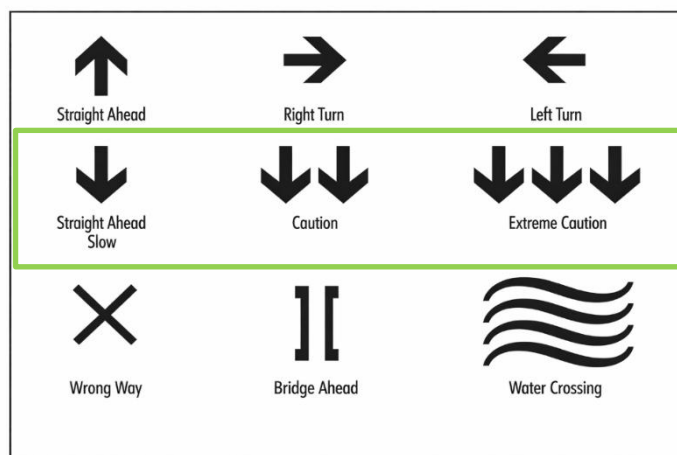

See for the plan the map in Appendix A, length of the course is 5,1 km with an elevation of ± 120 m.

Profile of elevation :

Additional information of the course :

The course contains choice lines in a number of places. Here the riders can choose from several driving lines, these are indicated with the letters A or B. The A-line is the fastest but also the most difficult. The risk lines are also provided with the following warning symbols. To indicate the course on Sunday, we will use white arrows with XCO written on them, as indicated below. These will be delivered by Cycling Vlaanderen, so the exact layout may differ from the picture below.

8. Detailed information of start and finish, timing hot spots (intermediates, speed trap)

See Appendix A, there is a timing hot spot (MyLaps) at the finish line for Mylaps transponders.

9. Location of award ceremonies, Anti-doping tests, race office, press conference room, race meeting room, etc.

The following tents will be placed on the event site:

- Catering tent: 12 x 4 x 3 m (L x W x H)
- Team tents in Team Area, number unknown: 4 x 4 x 3 m or 6 x 4 x 3 m (L x W x H)
- Race office at the finish: 4 x 4 x 3 m (L x W x H)

Prize ceremonies are outside at the finish. Anti-doping testing and press area will be in one of the rooms at the registration.

Race office with the race commissioners will be located in a tent on the finish line.

10. Time-keeping information: photo-finish, use of light beams and/or transponders

Time-keeping will be done with transponders from Mylaps. If a rider does not have a valid Mylaps-transponder at the moment of the race, he/she can get one at the registrations. The transponder is made free of charge, but must be returned after the race. If not returned after the race, a fine will be imposed on the athlete.

11. XCO: location of the Feed/Technical Assistance zones, specific transport to access these zones

See map in Appendix A, no specific transport needed.

To enter the technical zones there will be wristbands provided by the organization.
